

MOHD ASIF

SOFTWARE ENGINEERING INTERN | FULL-STACK WEB DEVELOPER

Ambedkar Nagar, Uttar Pradesh, India | +91 8173074210 | asifsidd454@gmail.com
github.com/asifcse8173 | linkedin.com/in/mohd-asif-8959b430

SUMMARY

B.Tech Computer Science & Engineering student with hands-on experience in frontend and full-stack web development. Built responsive applications using JavaScript, React.js, Node.js, Express.js, SQL/MySQL and Supabase, with practical experience in REST APIs, authentication, database integration, API testing and deployment. Completed frontend development internship experience and actively developing production-style projects.

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, C, SQL

Frontend: HTML5, CSS3, React.js, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Database: MySQL, SQL, Supabase

Core CS: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Tools: Git, GitHub, VS Code, Postman

Testing: API testing, debugging, troubleshooting

PROJECTS

HostelCare AI — Smart Hostel Complaint & Operations Platform | *React.js, Node.js, Express.js, Supabase, REST APIs, Vercel, Render*

- Developed a role-based hostel complaint platform connecting student complaint submission with warden/admin review, status updates and remarks.
- Integrated persistent database storage, authentication flows and REST APIs; deployed the frontend and backend using Vercel and Render.
- Designed the project to support AI-assisted complaint categorization, priority detection, summaries and related-complaint analysis.

Food Ordering Website | *HTML, CSS, JavaScript, Node.js, Express.js, MySQL, REST APIs*

- Built a responsive full-stack ordering platform with menu filtering, cart management, checkout and order processing.
- Created REST APIs with Node.js/Express.js and integrated MySQL for customer and order data.
- Used Postman for API testing and debugging and implemented localStorage-based cart functionality.

Classroom Notes Sharing Portal | *HTML, CSS, JavaScript, GitHub Pages*

- Built a role-based notes-sharing platform with authentication and note management for students and a class representative.
- Implemented a structured responsive interface for uploading, browsing and downloading academic notes.
- Deployed the application through GitHub Pages.

EXPERIENCE

Front-End Developer Intern — CodeAlpha | 2026

- Developed responsive and interactive web interfaces using HTML, CSS and JavaScript.
- Implemented reusable UI functionality, debugged frontend issues and worked with Git/GitHub during assigned development tasks.

IBM PBEL Virtual Internship | 2026

- Completed practical software-development assignments involving programming, application-development concepts and structured problem solving.
- Strengthened debugging and collaborative software-development workflow skills.

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science & Engineering

Jahangirabad Educational Trust Group of Institutions | AKTU, Lucknow

2023 – 2027 | CGPA: 8.12/10

CERTIFICATIONS & ACHIEVEMENTS

- Front-End Developer Internship Certificate — CodeAlpha
- Letter of Recommendation — CodeAlpha
- IBM PBEL Virtual Internship
- AI Database Administration
- Exploratory Data Analysis
- Gold Medalist in Exploratory Data Analysis Assessment Test
- Second Rank in college academic percentage
